Welcome to ViaVia Jogja!

SHARE ViaVia Cafés are meeting places where world travelers and locals share ideas and experiences. The ViaVia story began in Belgium in 1994, when a group of travelers decided to implement their ideas on sustainable tourism that put respect of local culture and the environment before profit. Currently there are 18 ViaVia establishments across Asia, Africa, Europe, South and Central America.

TASTE ViaVia Jogja offers the best of Indonesian cuisine and world kitchen. Try the artisan breads and desserts from our bakery too.

EXPERIENCE ViaVia Jogja has developed a range of alternative tours that bring travelers behind the scenes of contemporary Javanese daily and spiritual life. (Please ask us for more information). Every year we offer free training programs for local guides on intercultural communication and reflection on how to introduce travelers to the marvelous wonders and mysteries of Indonesia. ViaVia Jogja also houses an NGO that works in collaboration with various institutions to promote sustainable tourism. ViaVia also supports social, cultural and educational projects.

SEE, LISTEN, FEEL Since 1995, ViaVia Jogja has offered space for local (and some international), contemporary artists. Ask us about upcoming events, live music, exhibitions, debates and performances. We also offer yoga classes daily.

BE FAIR The ViaVia Jogja fair-trade shop shows the creative spirit of Java. Our partners search for innovative ways to develop recycled and organic materials to benefit local communities and marginal groups.

STAY The ViaVia Guesthouse is founded and funded as a cooperative with local women. The charming rooms are adorned with photography from different parts of Indonesia. The interior design makes use of recycled materials.

TELL OTHERS if you have enjoyed your time with us. TELL US if you have any complaints so that we can make it up to you and improve.

Selamat datang di ViaVia Jogja!

BERBAGI ViaVia merupakan tempat bertemunya wisatawan lokal dan internasional untuk saling berbagi pengalaman dan bertukar pikiran. Sejarah ViaVia dimulai di Belgia pada tahun 1994, ketika beberapa pelancong modern memutuskan untuk menuangkan ide-ide mereka terhadap pariwisata yang berkesinambungan dengan menghargai kebudayaan lokal, dan lingkungan, daripada profit sebagai prioritas. Sampai saat ini ada 15 ViaVia yang sudah tersebar di Asia, Afrika, Eropa, Amerika Tengah dan Selatan.

DATANG DAN CICIPI ViaVia menawarkan pilihan menu-menu yang unik dari berbagai belahan dunia dan dari Indonesia. Coba juga seleksi roti serta cake dari artisanbakery kami.

MENGALAMI ViaVia Jogja telah mengembangkan tur dan kursus alternatif yang mengajak wisatawan untuk melihat dan mengalami kehidupan keseharian masyarakat Jawa. Untuk keterangan lebih lanjut, tanya saja. Setiap tahun kami menyelenggarakan training gratis untuk calon guide tentang komunikasi antar budaya dan ketrampilan untuk memperkenalkan Indonesia dari sudut pandang yang berbeda. ViaVia Jogja juga menaungi LSM yang berkolaborasi dengan beberapa institusi untuk mempromosikan ekowisata. ViaVia juga mendukung dan memfasilitasi proyek-proyek sosial, budaya dan pendidikan.

LIHAT, DENGAR DAN RASAKAN Sejak tahun 1995, ViaVia Jogja menyediakan ruang bagi seniman lokal dan internasional. Jangan ragu untuk menanyakan informasi mengenai kegiatan, musik, pameran, diskusi dan lain lain. Kami juga menawarkan kelas yoga setiap hari.

ADIL Toko ViaVia Jogja mempunyai konsep fair trade yang menonjolkan kreativitas Jawa. Mitra kerja kami mencari cara yang inovatif untuk mengolah bahan-bahan organik dan daur ulang yang bermanfaat serta menguntungkan komunitas lokal dan kelompok kecil.

TINGGAL ViaVia Guesthouse didirikan dan didanai oleh sekelompok perempuan lokal berdasarkan asas kooperatif. ViaVia Guesthouse menawarkan kamar yang didekorasi dengan foto-foto dari seluruh Indonesia dan menggunakan bahan daur ulang sebagai disain interior.

SAMPAIKAN KE YANG LAIN jika anda puas. SAMPAIKAN KE KAMI jika anda mempunyai keluhan sehingga kami dapat memperbaikinya dan meningkatkan kualitas di masa mendatang.
